

Multi Cylinder Fuel Dispenser Nozzle 10 Feet Diesel Hose And Nozzle

Our Product Introduction

For more products please visit us on refueling-equipment.com

Basic Information

- Place of Origin: China
- Brand Name: Virette

Product Specification

- Features: Trigger Lock, Splash Guard, Automatic Shut-off
- Hose Length: 10 Feet
- Cylinder: Multi-cylinder
- Stamp Number: Dlla150s187
- Nozzle Diameter: 1 Inch
- Model: 11A
- Certifications: UL, CSA, CE
- Warranty: 1 Year Limited Warranty
- Highlight: **Multi Cylinder Fuel Dispenser Nozzle,
Multi Cylinder Diesel Hose And Nozzle,
10 Feet Diesel Hose And Nozzle**

Product Description

Multi Cylinder Fuel Dispenser Nozzles with Splash Guard / 10 Feet Hose

Product Description:

The Fuel Nozzle has a stamp number of Dlla150s187, which ensures its quality and reliability. This number guarantees that the nozzle has undergone rigorous testing and meets industry standards. This makes it perfect for use in a range of applications, from commercial fueling stations to industrial sites.

In addition to its quality construction, the Fuel Nozzle comes with a range of features to improve its functionality. The trigger lock feature ensures that the nozzle remains engaged when pumping fuel, allowing for hands-free operation. The splash guard helps to prevent spills and splashes, keeping the fuel contained and the surrounding area clean. The automatic shut-off feature ensures that the flow of fuel is stopped once the tank is full, preventing overfilling and reducing the risk of spills.

The Fuel Nozzle is made from high-quality aluminum, which is resistant to corrosion and wear. This material ensures that the nozzle is durable and long-lasting, making it a cost-effective solution for fueling needs. The aluminum construction also makes the nozzle lightweight and easy to handle, reducing operator fatigue and improving efficiency.

Overall, the Fuel Nozzle is an essential tool for anyone who needs to dispense fuel quickly and safely. Its multi-cylinder design, stamp number, trigger lock, splash guard, and automatic shut-off features make it a reliable and efficient choice for a range of applications. Its high-quality aluminum construction ensures that it is durable and long-lasting, making it a cost-effective solution for fueling needs.

Features:

Product Name: Fuel Nozzle

Component: Fuel Injection Device

Nozzle Diameter: 1 Inch

Flow Rate: 10 Gallons Per Minute

Cylinder: Multi-cylinder

Hose Length: 10 Feet

Oil Delivery Spout

Gasoline Hose Nozzle

Gasoline Hose Nozzle

Technical Parameters:

Petroleum Flow Nozzle	
Product Attributes	
Features	Trigger Lock, Splash Guard, Automatic Shut-off
Component	Fuel Injection Device
Material	Aluminum
Stamp Number	Dlla150s187
Hose Length	10 Feet
Temperature Rating	0-150 Degrees Fahrenheit
Cylinder	Multi-cylinder
Size	5.5 Inches
Nozzle Diameter	1 Inch
Pressure Rating	50 Psi
Petroleum Flow Nozzle	
Description	Fuel Dispenser Nozzle

Applications:

The Fuel Dispenser Nozzle is designed with several key features that make it a great choice for a variety of scenarios. The Trigger Lock feature allows you to lock the nozzle in place, making it easier to fill up your tank without having to hold the nozzle the entire time. The Splash Guard feature helps to prevent spills and splatters, keeping you and your surroundings clean. And the Automatic Shut-off feature ensures that fuel stops flowing as soon as your tank is full, helping to prevent overflows and spills.

The Virette Fuel Dispenser Nozzle is also designed to work with a variety of fuel injection devices, making it a versatile and reliable choice for all of your fueling needs. And with a 10-foot hose length, you'll have plenty of flexibility and reach to fill up even the largest of tanks.

Whether you're a gas station attendant, a mechanic, or simply someone who needs to transfer fuel from one container to another, the Virette Fuel Dispenser Nozzle is the perfect tool for the job. With its high-quality construction, guaranteed quality, and range of useful features, this Gas Pump Spout is sure to become an essential part of your toolkit.

So if you're looking for a reliable, versatile, and easy-to-use Fuel Dispenser Nozzle, look no further than the Virette Fuel Dispenser Nozzle.

Customization:

Product Packaging:

1 Fuel Nozzle

Instruction Manual

Warranty Card

Shipping:

Ships within 1-2 business days

Free shipping within the United States

International shipping available for an additional fee

Shipping carrier: UPS, FedEx, or USPS

Tracking number provided once item is shipped

Packing and Shipping:
