

Quick Auto Shut Off Gas Nozzle Aluminium Automatic Diesel Fuel Nozzle

Our Product Introduction

For more products please visit us on refueling-equipment.com

Basic Information

- Place of Origin: China
- Brand Name: Virette

Product Specification

- Flow Rate: 10 Gallons Per Minute
- Material: Aluminum
- Pressure Rating: 50 Psi
- Cylinder: Multi-cylinder
- Certifications: UL, CSA, CE
- Quality: Guranteed
- Model: 11A
- Temperature Rating: 0-150 Degrees Fahrenheit
- Highlight: quick auto shut off gas nozzle ,
aluminium automatic diesel fuel nozzle ,
auto shut off gas nozzle aluminium

Product Description

11A Aluminum Gas Station Fuel Pipe [Multi-Cylinder] for Quick Refueling

Features:

Product Name: Fuel Nozzle

Component: Fuel Injection Device

Warranty: 1 Year Limited Warranty

Model: 11A

Stamp Number: Dlla150s187

Cylinder: Multi-cylinder

Keywords: Fuel Dispenser Nozzle, Gas Pump Spout, Fuel Dispenser Nozzle

Technical Parameters:

Fuel Dispenser Nozzle	Gas Pump Spout
Flow Rate	10 Gallons Per Minute
Nozzle Diameter	1 Inch
Hose Length	10 Feet
Size	5.5 Inches
Quality	Guaranteed
Temperature Rating	0-150 Degrees Fahrenheit
Warranty	1 Year Limited Warranty
Features	Trigger Lock, Splash Guard, Automatic Shut-off
Component	Fuel Injection Device
Stamp Number	Dlla150s187

Applications:

Whether you are filling up your car at a gas station or transferring fuel from one container to another, the Virette Fuel Dispenser Nozzle is an ideal choice. Its high flow rate of 10 gallons per minute ensures that you can quickly and efficiently fill up your vehicle or container with fuel.

The Virette Fuel Dispenser Nozzle is made in China and has undergone rigorous testing to meet UL, CSA, and CE certifications. This means that you can trust this product to be safe and reliable, no matter what your fueling needs may be.

The Virette Fuel Dispenser Nozzle features a trigger lock that allows you to easily control the flow of fuel, as well as a splash guard that helps to prevent spills and splashes. Additionally, the nozzle has an automatic shut-off feature that stops the flow of fuel when the tank is full, preventing overfilling and waste.

Whether you are a professional mechanic or simply need a gas pump spout for personal use, the Virette Fuel Dispenser Nozzle is an excellent choice. Its durable construction and easy-to-use design make it a reliable and convenient tool for all your fueling needs.

Customization:

Our product is designed to be used as an oil delivery spout or gas pump spout and is manufactured in China. We offer a 1-year limited warranty on our product, ensuring that you have a reliable and long-lasting fuel nozzle. Contact us today to learn more about our product customization options.

Packing and Shipping:

Product Packaging:

The Fuel Nozzle product will be packaged securely in a cardboard box with bubble wrap to ensure that it arrives at its destination safely and undamaged.

Shipping:

The Fuel Nozzle product will be shipped via standard ground shipping and will typically arrive within 5-7 business days from the date of purchase. Expedited shipping options are available for an additional fee.
